Terms of Sale

Please refer to 'Conditions of Sale' on each delivery docket and packing slip.
E&OE. Prices are quoted on an FOB basis for orders under \$220 inc GST, and an FIS basis for orders over \$200 inc with the exception of sheet products greater than 900x900mm in size, A-Boards & T-Boards or where freight has been specifically quoted.
This price list does not constitute a quotation. We reserve the right to amend pricing at any time.
Please add 10% GST to all prices in this document unless otherwise stated.

Payment Details

Cheque: Made payable to 'Marsden Bros Pty Ltd' and marked 'Not Negotiable'

Please mail payments to:

Marsden Bros Pty Ltd

PO Box 87

Moonah TAS 7009

Cash: cash payments can be made in person at:

Marsden Bros Pty Ltd

9 Chesterman St

Moonah TAS 7009

Please bring near to correct change. Please note that we do not have EFTPOS facilities.

Credit Card: please phone 03 6272 3088, we accept Visa and Mastercard

EFT: please email your remittance to accounts@marsdenbros.com.au

Account Name: Marsden Bros Pty Ltd Bank: Westpac, Moonah

BSB: 037 005

ACC: 60 1242

Please note that credit accounts are subject to approval upon application.

Please allow 3 days for any credit account to be opened after application.

Overdue Accounts will be placed on stop credit, or at our discretion, trading may continue on a "cash+50%" basis whereby payments are made in advance for purchases plus a loading of 50% which will come off the oldest amount. This arrangement should allow most customers to continue trading whilst sorting out temporary cash-flow difficulties.

Avery Specialist Application Toolkit for Vehicle Wraps

Introducing the Specialist Avery Application Toolkit for Vehicle Wraps!

Make the job easier with specialist tools for the job.

Know that your applications are going to stay stuck, “re-casting” to correct temp.

Avery Toolbelt 57.75

Keep all your tools handy and accessible

Avery Magnets 26.13

Position the graphic without messing about with tape

Professional Squeegee 17.25

Squeegee larger areas quickly without scratching the print

Felt Squeegee 8.20

Squeegee tight corners and curves without scratching the print

Lint Free Application Gloves 24.00

Squeegee tight creases and folds without scratching the print

*Enables handling of the **adhesive side** of your prints!*

Laser Thermometer 214.50

Check application temperatures to meet manufacturer specifications with confidence

Vinyl Lube 7.35

Great pre-application cleaning solution

Avery 30deg Snap-Blade Kni 6.05

Solid knife that won't jam or wear out in a hurry

Avery Snitty 12.60

Trim large sheets of vinyl quickly and safely

Total for kit **poa**

MBX Vinyl Zapper – removes baked-on vinyl from vehicles, saves time

Hire from \$39/day

Erazer Wheels \$39ea

MBX Vinyl Zapper \$699 new

GSM or Denier? While it is often assumed (incorrectly) that the “gsm” (weight) of a banner material suggests its strength, in fact the more important specification is the “Denier” of the product (e.g 1400x1000D). A higher Denier means a stronger textile. A heavier product simply means that it is heavier!
